

How NOT to present....

Or,

How to bore and distract your
audience to death...

Can you read this text???

- Can you read this text?
- What a great way to put off an audience!!!

- Such attractive colours, too!

CRITICAL CONCEPTS!!!!

- If I make the type really tiny and the diagram really complex, the audience will get tired of straining to see, won't they???
What a good plan!!!

	Importance				Availability				Accuracy						
	Trivial	Ortial	Non-Existant	Common-Place	Unreliable	Reliable	Unreliable	Reliable	Unreliable	Reliable	Unreliable	Reliable			
<i>Cruise: Top Of Climb To Top Of Descent</i>	1	2	3	4	5	1	2	3	4	5	1	2	3	4	5
