

Rogers Commission Report

The Report of The Presidential Commission on the Space Shuttle Accident (created by Executive Order 12546 of February 3, 1986) is available at:

<http://www.ksc.nasa.gov/shuttle/missions/51-l/docs/rogers-commission/table-of-contents.html>

Informally, it is called The Rogers Commission Report. Please note: Not all sections of the report are available online at this time.

Lists of online resources about the Challenger Accident can be found at:

NASA History Office. Information on the STS-51L/Challenger Accident
